

Cheeky Plant Co. Newsletter

Never gift a sad, wilting bouquet again.

Don't be a drongo. Give em a gift that keeps on growing.

Hiya plant pals,

Ready to upgrade your gifting game?

Flowers are fine...for first dates and funerals. But your mates deserve more than a bunch of droopy daisies.

We've got four planty presents that'll keep growing long after the flowers cark it.

Plushie & Plant Gift Box

One for the couch
and one for the shelf

Cuddle up

Three Rings Grow Lights

Give some life to that
dark corner of the flat

Let there be light
